

2020 Legacy Conference

COVID-19 Precautions

- **Seating will continue socially distanced, with overflow streaming options in the lobby and Fireside Room.**
- **Masks are to be worn when moving about the lobby, in between sessions, and also in the outside book tent**
- **For the Friday PM and two Saturday PM sessions, we are asking our church family to consider one of these sessions to stream from home as a way to alleviate seating constraints**
- **If you have a preexisting medical condition or are over the age of 60, we encourage you to exercise caution and consider live-streaming from home.**
- **If you are not feeling well, including cold-like symptoms or a mild fever, please stay home.**
